

sales action

a good start in autumn with wellboard starterkits

thanks to its unique waved structure, the wellboard material confers your projects a natural and noble touch.

have a go for it and take chance of our **autumn offer** to realise your ideas from the summer:

5 wellboard starterkits of your choice for 500 €*

10 wellboard starterkits of your choice for 900 €*

a good opportunity to use wellboard for **tests, prototype realisations, small series production** and to enjoy the flexibility and unique structure of the sustainable material.

if you do not know wellboard yet, it is **the moment** to try it.

this offer is valid from august to october 2009.

*plus tax and freight

well green materials for innovations
